100cm – 60 BE points – BS 999

110cm – No limit - No limit

Horses may only compete at one height in a competition year so if you have already jumped in the Novice teams in November you would not be able to compete in this.

Please let me know if you would like to be in a team and the following details:

Horse Name:

Rider Name:

Class – 90/100/110

Whether you would like to jump in a qualifying team/Individual or area team (If you are successful in qualifying, team members will be expected to travel to Bury Farm on 27-29 April 2018 and HFRC will pay 100% of the team entry fee but you will need to pay for your own expenses and stabling)

(Area teams compete only on the day and points won by them go towards the Area 14 Chairman's Trophy; so you can still take part in a team and make a great contribution to your club without the extra commitment of travelling to the championships.)

Your horse must have an up to date vacc cert (If this is the first time your horse has taken part in a team/or it has been more than a year please let me know.

There are other classes on the day (see schedule) which you will have to enter separately yourselves.

Please ensure you are eligible as per above, if unsure please ask.

A contribution of £10 per horse is required for the Area team entries and £14 each for those on qualifying teams and qualifying individuals.

Please e-mail me if you are interested in taking part ASAP or no later than 13<sup>th</sup> January to Neesymurf@yahoo.co.uk
