Hi all

Please find attached schedule for the Area 14 ODE at Poplar park on the 26th June.

All the details are on the schedule but if you are interested in competing in a team or individually can you let me know by our closing date which is 25th May 😊

In order to compete your horse MUST have had a vaccination within 12 months (but not in any of the 6 preceding days) of the competition.

All entries are via MyRidingLife via the following link :

<https://myridinglife.com/eventdetails.aspx?id=384090>

There are options to ride in a team or individual and as a qualifier or area rider.

The cost will be £30 per entry for area entries and £45 for qualifiers.

Please email me your passport details when you enter (neesymurf@icloud.com) as these have to be emailed to the organiser for checking asap.

If you were successful in qualifying, the championships are at Swalcliffe park on 5-7 August 2022.

HFRC would pay the entry fee for the championships but you would be responsible for stabling and transport costs.

If you have any questions please don't hesitate to ask. 😊

Denise xx
